T.R.A. DOCKET ROOM

RE. Request for Cancellation of Citynet Tennessee, LLC's Certificate of Public Convenience and Necessity Granted in Docket No 03-00469

Dear Docketing Manager:

Citynet Tennessee, LLC ("Citynet") hereby requests the Tennessee Regulatory Authority ("TRA") to cancel its Certificate of Public Convenience and Necessity granted by the TRA by order dated February 6, 2004 in Docket No. 03-00469 (the "CPCN"). Citynet has not provided any services pursuant to the CPCN and has no customers in the State of Tennessee, therefore, no Tennessee subscribers to telecommunications services will be affected directly by Citynet's cancellation of its CPCN. Citynet's business plans have changed since the grant of its CPCN, and it now does not expect to begin operating in Tennessee for the foreseeable future.

Please date-stamp the copy of this letter enclosed herewith, and return it in the enclosed self-addressed stamped envelope. Please do not hesitate to contact the undersigned if you have any questions regarding this filing. Thank you for your attention to this request.

Sincerely,

Mickey S. Moon
